FOR HOSPITALITY VENUES

Digital Signage

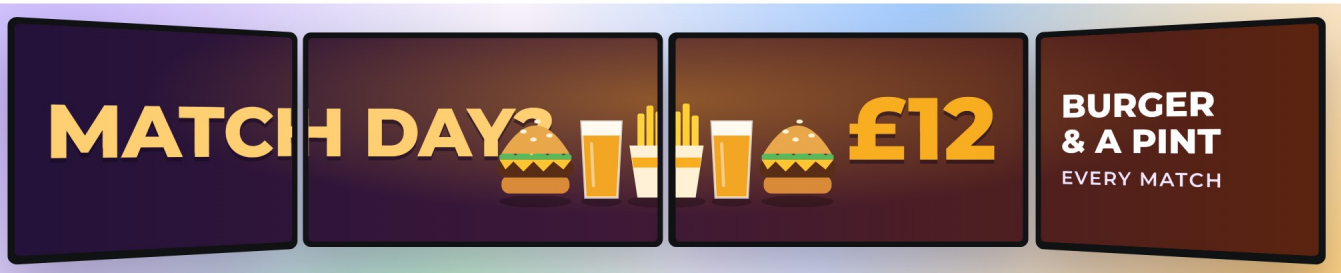
Put your menus and offers on screen. A compact player connects by HDMI, and our in-house team designs, programs and installs it all.

Plugs straight into your screen
Connects to any TV or display with an HDMI input.

Offers in sync on every screen
Run one offer across two or more screens at once.

Designed in-house for your brand
Menus and promotions created by our own team.

Change it in minutes
Update prices remotely or schedule offers ahead.



MULTI-SCREEN SYNC: four screens, one offer

We supply, design and fit the whole system. Tell us what to promote and we handle the rest.

PERFECT FOR

- Pubs & bars
- Restaurants & cafés
- Takeaways & quick service
- Social & members clubs
- Hotels & hospitality

Key Features

Feature	What it means for your venue
HDMI connection	Works with the screens you already have.
