

What's ultra-thin and fanless, making it both incredibly versatile and economical?

ONIX 200

Budget friendly workhorse.

- Intel Bay Trail Quad Core Processor
- Stylish ultra-thin fanless design
- Large 15.1" TFT LCD screen
- Flexible mounting options, stand, pole or VESA
- A 3-year warranty is included, as standard

The budget workhorse for your bar or restaurant

The **ONIX 200** is a Windows based POS terminal featuring a 15.1" multi-touch capacitive touch screen, making it a powerful and complete terminal accessible to all and is suitable for all hospitality environments.

The fanless design helps efficiency, providing a noise free design that is highly reliable, with benefits that make this a sensible, cost effective and long-term investment.

It's no wonder the ONIX 200 is the preferred choice for many of our customers in the UK and The Falklands.
