## 23 colour A4 pages per minute

Small in stature but big on performance, the UTAX P-C2655w MFP is perfectly suited for your workplace, delivering high quality printouts at speeds of up to 26 pages per minute.

This MFP can also copy, scan and fax, while embracing the latest technology. It has an easy to operate LCD control panel.

If you need quiet in the office, help is on offer here too with a 'Quiet mode'.

250 A4 Capacity

2 Year Warranty

Wireless Printing
