Make Every Order Count with the Wonder EPOS System

Introducing the DataVan Wonder 15 Inch Windows EPOS terminal. It is the perfect solution for any harsh retail and hospitality environment.

With an IP65 rating and rugged architecture, this EPOS System can handle anything you throw its way.

Its aluminium die-cast back cover ensures fanless and vent-less heat dissipation, and with a range of tilt angles, installation is hassle-free. Take your business to the next level with the Wonder EPOS System.
