

What's powerful, stylish and designed especially for retail and hospitality environments?

M3w-2

Mobile POS Enterprise Tablet

POS Base

Key-Free Design

Charging Cradle

- Windows 10 IoT LTSC
- Intel Apollo Lake® CPU Platform
- Wireless Communication Capabilities
- IP54 Dust Ingress & Water Spray Protection
- Variable & Flexible Functionality Options

Boost efficiency and profitability with the M3w-2 Enterprise Tablet

Intel Apollo Lake®

Windows 10 IoT

10.1" TFT LCD Screen

User-Friendly Touch Screen

Fanless Design

While the M3w-2 works well as a handheld device, its POS base options give it the flexibility to be a countertop POS terminal.

Base options have multiple I/O ports for connection to a printer, cash drawer, Ethernet and peripherals such as the CD-7220 customer display. A key lock secures the tablet in place.

Adjustable viewing angles meet the needs of cashiers and customers, and the premium base can flip 180° for customer signatures.

Features

Features	Connections
Displays	10.1" Resolution 1280x800(350 nits)
Processor	Intel® Pentium® Processor N4200
USB Ports	1 x USB 2.0 Micro 1 x USB 3.0 Type A
Battery	Main Battery 7.4V 4600 mAh Hot swap battery : 3.8V/250 mAh
