

Looking for an economical EPOS Terminal that guarantees reliability and low maintenance?

Touch Terminal

SP-635-BZ EPOS System

- Fanless Intel Celeron SoC processor
- Large 15" Bezel-Free Touch Screen
- Water & Dust Free Front Bezel
- Flexible mounting options, stand, pole or VESA
- A 12-month warranty is included, as standard

The economical but powerful EPOS Touch Terminal

The economical but powerful EPOS Touch Terminal has now become bezel-free with projected capacitive touch to meet the standard of today's requirements. The SP-635-BZ is the right system in view of cost efficiency and performance.

The now bezel-free SP-635-BZ is equipped with Intel® Celeron™ J1900 Quad Core processor. It is fanless to guarantee reliability and low maintenance. The monitor is flexible and can be adjusted to meet the requirements of any workplace – whether with convenient VESA / wall mount or wide tilt angle.
