- Support for handwriting pen
- Wi-Fi and 4G network connectivity

- 8500mAh Battery
- 320 Nit Brightness
- 2MP Front Camera
- 5MP Rear Camera

Intel Atom

Windows 10

8" IPS LCD Display

User-Friendly Touch Screen

Handwriting Support

It utilises Intel technology to have the choice between a Windows 10 experience or Android 5.1. With its Wi-Fi and 4G network capability, your operation is always connected. It also supports functions such as 1D/2D barcode scanning, NFC, GPS, photographing and voice communication. It can be used in various fields such as retail, manufacturing, fast moving consumer goods, logistics, warehousing, governments and public utilities. It is also suitable for outdoor use with IP67 dust and water resistance.
