

Case Study

Oxton Conservative Club Raises the Bar with Smarter EPOS

PRODUCT INFORMATION

Oxton Conservative Club has long been a welcoming hub for its loyal members. With two bars serving up drinks and conversation, this private members club knows the value of smooth service and strong community.

To keep things running efficiently they needed a tech solution that could pour a bit more intelligence into every pint. That is where CCR Systems came in.

KEY FEATURES:

- 01** Each bar runs on its own POS Logix-powered EPOS system. Fast, reliable and tailored to the club's setup, making it easy to serve members without delay.
- 02** Real-time reporting from both tills in one central system. making it easier to track sales, monitor stock, and make smarter decisions.
- 03** Members receive swipe cards that instantly apply their discount at the point of purchase. No faff, no fuss.
- 04** Touchscreen layouts customised to suit the club's drinks offering and staff preferences. Reducing training time and increasing speed of service.
