

Case Study

The Ship Inn Sails Smoothly with EPOS and Cloud Based Control

PRODUCT INFORMATION

Tucked along the banks of the River Dee, The Ship Inn is a Chester institution—serving up great food, flowing drinks, and a warm welcome seven days a week.

With growing demand, a loyal customer base, and a second venue on the horizon, owner Lance knew it was time to invest in a smarter, future-ready EPOS system.

KEY FEATURES:

- 01** 3 EPOS tills: each with a cash drawer, receipt printer, and 10" customer-facing screen. Smart and flexible solution.
- 02** Kitchen printer for direct-to-kitchen order printing. Orders flow directly from tills to the kitchen printer, minimising errors and wait times.
- 03** Remote management means they can monitor and manage the business from anywhere—perfect as he prepares to expand.
- 04** Future Proof Setup: with GPoS retired, The Ship Inn is now running a secure, up-to-date system that's ready a second venue.
