Oxhoo Joon

A stylish all-in-one EPOS terminal with a 15.6" widescreen (JO156) or 15" 4:3 (JO151) touchscreen, available on a stand or as a slim, wall-mountable panel.

CCR SYSTEMS
AN EXCEL COMPANY

Two screen formats
Choose 15.6" Full HD widescreen (JO156) or the classic 15" 4:3 shape (JO151).

On a stand or on the wall
Use it on its stand, or choose the slim Joon Panel and wall or arm mount it (VESA 75).

Modern Intel performance
Intel N97 or N305 Alder Lake processor, 8GB DDR4 RAM and a 128GB M.2 SSD.

Room to grow
Add a customer display, 11.6" second screen, card or barcode readers and extra memory.

The Oxhoo Joon is a sleek all-in-one till that fits neatly into any point of sale. Choose the screen shape that suits your software, then run it on its stand or mount the panel version on the wall.

Choose the JO156

For a modern widescreen layout. Its 15.6" Full HD screen shows more on screen at once, ideal for busy, menu-heavy tills.

Choose the JO151

For the classic 4:3 screen shape your staff may already know, in a slightly more compact body.
